From Plymouth, travelling on the A38

After passing the Plympton (Deep Lane) exit , take the next exit to Lee Mill. On leaving the A38 after 2/10ths of a mile you will notice a Caravan/Mobile Home outlet on your left. At the mini roundabout continue on and to your right there is a large brown building with a red "The famous Lee Mill" sign, shortly after this there is traffic calming.

Bowker House is a cream building on your right. Our office is at the front of the building through the first set of double doors. If you pass the building and continue into the village of Lee Mill, you have gone too far. Please turn around and look for the cream building, now on your left.

There is a sign for Hudsons. Please park outside the entrance by the double doors.
